

Cade Phillips

Project part 1

Name of website:

USC Baseball Tracker

Description:

This website will be used as a one stop shop for everything Carolina Baseball. Sometimes the official websites for college teams are very slow or a little hard to navigate. This site will be used to check everything that you can think of regarding the team. This will show the current players along with statistics and overall news about the team. The data that will be stored in this would be the statistics of the players.

About us

How to follow

Coaches

Data:

The data that will be stored will be the players statistical data from the games. This will be input and maintained throughout the season to help keep the fans up to date. This data will only be entered by an administrator to help provide more legitimacy of what is being presented.
